

Equity Program

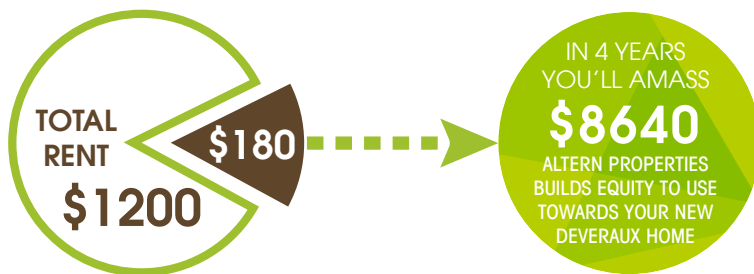

Altern Properties Equity Program is designed to assist residents in the transition of building a new home. If you rent an Altern apartment and choose to be a part of this opportunity, you will begin saving towards a Deveraux Home!

Are you thinking about building a new home but not ready to commit? We are excited to show our appreciation of your residency by offering you an exclusive opportunity!

How does it work?

15% of your monthly rent will go towards building a new home with Deveraux Homes by being placed in your own Altern Properties Equity Program Credit Account. You have up to 12 months after your residency with Altern to redeem this offer. The accumulated equity cannot exceed 2% of the purchase price of the new home, before land and GST.

Deveraux Homes is a custom home builder that provides exceptional service throughout the entire build process. Please give the Deveraux sales team a call to learn more about this program!
